

Preparing the PEACE PLUS Programme

This document is part of the templates used during the Stakeholder Engagement Information Events to help stakeholders understand the new PEACE PLUS Programme and stimulate ideas. The main objective of the group session is for stakeholders to get information/ideas for completing our survey.

The SEUPB recommends that you familiarise yourself with the Stakeholder Engagement Information Document and Survey before starting to use these templates as the Group Sessions are designed to relate to the Stakeholder Engagement documents.

Group Session 2:

Objective: discuss which solutions would make it easier for organisations to benefit from PEACE PLUS funding. The aim is to come up with proposals for simplification and support measures. However, it is important to note that SEUPB has to work within the legal framework defined by the regulations.

Sections in the survey that the session relates to:

Stakeholder Engagement Survey - Questions

- Section C: Increasing simplification and focus on results
- Section D: Other administrative and delivery arrangements

Time: Exercise will last approximately 15 minutes.

Methodology:

Step 1: discuss on tables the following questions.

- What does SEUPB do well?
- What can SEUPB improve?
- What practical solutions do you suggest?

Please think solutions to for different stages of a project: (a) during the pre-application process and (b) while implementing projects.

Please note that this exercise aims at identifying concrete solutions and proposals of simplification and support measures.

Step 2: elect a spokesperson who will feed back to the room

**THINK ABOUT THE APPLICATION PROCESS AND THE
PROJECT IMPLEMENTATION PROCESS**

1. What do we do well?

2. What can we improve?

3. What practical solutions
do you suggest?
